

**UT Counseling and Mental Health Center
The University of Texas at Austin
Research Consortium Data Use Agreement Form**

As a condition to my receipt and use of any data sets from the National Research Consortium of Counseling Centers in Higher Education, I agree to abide by the following:

1. I attest that the purpose of my using the data set is to conduct research which will further the understanding of college mental health issues.
2. I will not release this data set to any parties that are not listed on the application form.
3. I will only use the data set to conduct the study for which I applied. Should I wish to use the same data set for a different or related study, I will re-submit an application form explaining the new study.
4. I will notify the Coordinator of the Research Consortium of any publications that occur with the use of this data set.
5. I understand that it is not permissible to identify the institutions (colleges or universities) or the participants involved in the Research Consortium in any manner.
6. I agree to send a final report to the Research Consortium (or copy of the resulting publication/paper) of the results of the research.
7. When submitting an article for publication, I will credit the "National Research Consortium of Counseling Centers in Higher Education" for the data.
