**help your fellow students
by helping campus leaders understand your experience!**

the national research consortium is conducting a study.
this is a national survey about students' responses to stressful experiences.
you may be invited by email in the spring to participate in an online survey.

take a few moments to answer questions about your experience.

your survey responses will **contribute to a national effort** to understand
the student experience, and your responses will **help your school** find the
best ways to help you and your friends.

**participants will be eligible to enter a drawing to win an
Amazon.com gift card!**
